ACTION TAKEN REPORT ON CURRICULUM FEEDBACK
2019-2020

The feedback from stakeholders and action taken report is summarized below:

Student Feedback and Action Taken Report

S.No	Feedback	Action taken
1	Students should be provided with course-related information well in advance before the commencement of the class.	COURSE OBJECTIVES and COURSE OUTCOMES (COs)are meticulously incorporated in the syllabus right from the R16 regulation. Students are furnished with objectives and outcomes in the introductory class. Course instructional material is provided for students.
2	The syllabus should cater for the demand of meeting requirements for higher studies both in India and abroad.	Professional elective courses are carefully chosen to get better exposure to the latest technologies. Open elective courses introduced will help the student to acquire multidisciplinary knowledge. MOOC courses offered by NPTEL are mandatory so that the student can access subject experts. In order to succeed in the GATE exam, the syllabus covers the complete GATE syllabus. The English courses are carefully designed to get adequate exposure to appear TOEFL.

Faculty Feedback and Action Taken Report

S.No	Feedback	Action taken
1	Students and faculty may be given access to advanced science and technology literature.	The college library subscribes to INFLIBNET so that the students and faculty can access e-books and journals under N-LIST.
2	Research activities must be strengthened by conducting research conventions and conferences.	Research Methodology and IPR, English for Research Paper Writing subjects are introduced to PG students. Intellectual Property Rights is an open elective for UG students.

Alumni Feedback and Action Taken Report

S.No	Feedback	Action taken
1	Employability skills may be improved.	Students can select subjects that enhances their employability skills under open electives. The labs courses such as GIS, CAD Lab etc. are introduced.
2	Entrepreneurship development programmes may be conducted.	Entrepreneurship Development subject is mandatory for MBA students. For Engineering UG students MBA Department offers Intellectual Property Rights and Business Ethics under open elective subjects to import entrepreneur skills.

Employer Feedback and Action Taken Report

S.No	Feedback	Action taken
1	The recruiters from IT companies andother industries suggested that thestudents need to be more participativeand work with teams more effectively.	Content related to teamwork, work ethics are included in Human Values and Professional Ethics course. Lab courses such as Surveying Camp are introduced to promote teamwork and participative learning.
2	The student should have better exposure to the latest technologies.	The subjects such as Python Programming, Artificial Intelligence &Machine Learning, Big Data Analytics, Introduction to IOT are introduced in the curriculum.
