## PROFILE

Dr. Ashok Raju Konduru, Chairman of the Siddharth Group of Institutions, Puttur, A.P., is an educationist and philanthropist by passion. He has spearheaded the institutions to become emerging centres for excellence in Engineering and Management education in a matter of 19 years. His commitment and determination to make Engineering and Management education available to the rural students around Puttur town reflects in the phenomenal growth of student strength in the last 20 years. His dedication to quality infrastructure and education reflects in the accreditations and recognitions by NBA, NAAC and the Government of A.P.

A strong believer of collaboration and cooperation, Dr. Ashok Raju received “**Educationist of the Year Award – 2008**” from the WES, New Delhi. He aims at preparing the student community to meet Global industry needs and played a vital role in collaborating with eminent educational institutions and top technology giants like Microsoft, IBM, INTEL and Tag it to establish their Centers for Excellence in the campus.

With his immeasurable achievements and untiring efforts to make a difference in the lives of the students, Dr. Ashok Raju has emerged as an iconic personality among thousands of young engineers as well as education circles in the state of Andhra Pradesh and the neighbouring states.
